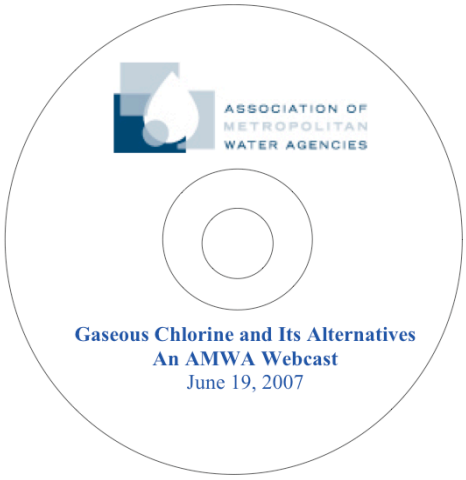
# Gaseous Chlorine and Its Alternatives

## AMWA Webcast CD Order Form



CONSIDERING A CHANGE IN CHLORINE-BASED TREATMENT?

AMWA is offering water systems the opportunity to purchase a recording of the June 19 webcast *Gaseous Chlorine and Its Alternatives*. The webcast features presentations by managers of several AMWA member utilities detailing their experiences in replacing gaseous chlorine with alternative treatments.

For water utilities and AMWA subscribers only, the CD includes the webcast's complete audio slide presentation recording, all Powerpoint slides from each presentation and speaker biographies. Featured utilities include Northern Kentucky Water District, East Bay Municipal Utility District, Long Beach Water Department, Des Moines Water Works, Tempe Water Utilities Department, and Southern Nevada Water Authority.
