

Director of Aurora Water City of Aurora, CO

The City of Aurora is seeking a dynamic and progressive team leader as the key executive of the Aurora Water Department. With more than 310,000 residents calling Aurora home, the City has a wide range of cultural and recreational amenities, offers a mild, semi-arid climate, and has a thriving economy and is experiencing phenomenal growth.

The Director is responsible for managing operations of the third largest treated water provider in the State of Colorado with a staff of 415 and an operating budget of \$136 million and a capital budget of \$346 million in Fiscal 2008. The ideal candidate is a strongly committed individual experienced in managing a large municipal utility. Experience working in complex environments and managing large capital projects is strongly preferred. A minimum of five years of progressively responsible experience with a large utility system, including at least 3 years supervisory experience at a senior management level is required. In addition, a Bachelor's degree in engineering, management, business administration or directly related field is required. A Master's degree is preferred. The starting salary range for this position is \$120,000 - \$145,000 DOQ. An attractive benefit package is offered. A detailed brochure is available at www.cps.ca.gov/search.

To be considered for this unique career opportunity, submit a resume, cover letter along with three professional references, and current salary by Friday, July 11, 2008 to: CPS Executive Search, Attn: Amy Day, 241 Lathrop Way, Sacramento, CA 95815. Tel: 916 263-1401; Fax: 916 561-7205; Email: resumes@cps.ca.gov; www.cps.ca.gov/search.
