

## **TREATMENT PLANT OPERATOR**

**Central Arkansas Water (CAW), located in the heart of Arkansas and serving the Little Rock-North Little Rock Metropolitan area, is currently seeking a highly motivated and skilled professional to join our team as our Treatment Plant Operator.**

**CAW is the largest public drinking water system in the state of Arkansas, providing a population of over 390,000 with exceptional water and outstanding service. CAW was formed in 2001 through the unique merger of two individual municipal utilities, which together have received the prestigious Environmental Excellence Award on five different occasions by the EPA, as well as the Gold Award for Competitiveness Achievement by the Association of Metropolitan Water Agencies, America's Crown Communities Award by the National League of Cities, and the Sierra Club of Arkansas Outstanding Public Agency of the Year.**

**Central Arkansas is the center for government, finance and business in the state, with Little Rock, the capitol, ranking "31<sup>st</sup> Best Place in America for Careers and Business - 2007" by Forbes Magazine. The Clinton Presidential Library, Arkansas Arts Center, Arkansas Symphony Orchestra, Wildwood Park for the Performing Arts, Arkansas Travelers Class AA minor league baseball, Arkansas Rim Rockers basketball, Arkansas Twisters arena football, Little Rock Zoo, IMAX, and Aerospace Education Center truly provide a great place to live, work, play and raise a family! Natural beauty abounds in Arkansas, "The Natural State", with exceptional lakes, streams, mountains and state parks and many opportunities for hiking, camping, water sports, fishing, and hunting within the central Arkansas area.**

**The Treatment Plant Operator is a key position responsible for operating treatment plants; maintaining records and logs; performing minor mechanical work; assisting with delivery of chemicals; acting as Dispatcher after hours; monitoring and controlling booster stations and tanks; and performing compliance monitoring of Surface Water Treatment Rule.**

**Applicants must have High School Diploma or GED including course in Algebra; be 21 years old or older; pass pulmonary function test to wear respirator; willing to work overtime when needed; take and pass the Arkansas Water Licenses within required timeframes. Must be able to work rotating shifts-nights, weekends, and holidays; lift or move 60 pounds; read charts, maps, gauges; etc. Knowledge of the operation and maintenance on motors and pumps preferred.**

**We offer excellent benefits including but not limited to company paid health, dental, life, and disability insurances, generous paid time off, Arkansas Public Employees Retirement System (APERS) and a competitive salary of \$40,000 annually. Please submit a resume and application by Friday, July 25, 2008 to:**
