Resumes are accepted online at [www.spartanburgwater.org](http://www.spartanburgwater.org) or at the Spartanburg Workforce Center at 364 S. Church St., Spartanburg, S.C.

We are currently seeking a **PROJECT ENGINEER I OR an ENGINEERING ASSOCIATE II**. The person selected will, under occasional supervision, review engineering plans and specifications and prepare water/sewer engineering reports and designs ensuring compliance with regulations and standards. This position reports to the assigned exempt manager and has limited supervisory responsibilities.

An **Engineering Associate II** requires a Bachelor's degree in civil or environmental engineering or engineering technology and a minimum 6 years experience in environmental engineering or any equivalent combination of education and experience. Must possess a valid driver's license.

A **Project Engineer I** requires a Bachelor's degree in civil or environmental engineering, a minimum 4 years experience in environmental engineering or any equivalent combination of education and experience. Must be a registered Professional Engineer and possess a valid driver's license.

Salary is commensurate with experience.
