

Building Disaster Resilience: Part 3

Operationalizing Resilience in the Water Sector Series

February 26, 2020 at 2:00 PM - February 26, 2020 at 3:30 PM

View the recording and slides for Part 3 of the NACWA/AMWA webinar series, "Dealing with Disruption: Operationalizing Resilience in the Water Sector," which examined the tools and methods utilities can use to reduce the risk of operational disruptions, prepare for disasters and protect facilities and operations. It reviewed case studies from utilities that demonstrate resilience building and provide valuable lessons learned.

Speakers:

- Curt Baranowski, U.S. EPA
- Lindsey Hallock, Cape Fear Public Utility Authority
- Travis Block, City of Faribault, Minn.
- Peggy Nguyen, LA Sanitation and Environment
