Save the Dates of March 16 and 17 for AMWA's 2021 Virtual Water Policy Conference

January 11, 2021 at 5:00 AM

Join AMWA for the upcoming 2021 Virtual Water Policy Conference, scheduled for March 16 and 17 from 2:00 to 4:00 p.m. ET on each day.

The premier water policy conference for the water sector will provide perspectives on the current federal policy environment, including shedding light on the Biden Administration's legislative priorities and timelines. Charlie Cook, a prominent political analyst, NBC News analyst, and editor and publisher of the Cook Political Report (<https://cookpolitical.com/>), will open the event by providing his take on the current political climate. Water utility executives will have the opportunity to gain insights from congressional committee members and other Washington insiders.

Program details and registration information will be available in the upcoming weeks.
