# AMWA invites 2021 utility management awards applications

February 1, 2021 at 5:00 AM

Last week, all eligible AMWA members were invited to apply for recognition in the association's 2021 awards programs (<https://www.amwa.net/awards/overview>): the Gold Award for Exceptional Utility Performance, the Platinum Award for Utility Excellence, and the Sustainable Water Utility Management Award.

AMWA will recognize winners at the 2021 Executive Management Conference (<https://www.amwa.net/2021EMC>) in Denver, Colorado, October 3-6. Submit applications for each of the award categories by the June 18 deadline. Direct questions about the awards eligibility and program to Antoinette Barber (<mailto:barber@amwa.net>).
