Climate resilience tool training scheduled for southeast U.S.

May 3, 2021 at 5:00 AM

The EPA Water Security Division has announced it will offer a free training on its Climate Resilience and Evaluation Tool (CREAT) for water and wastewater sector personnel in the Southeast. Building Resilience & Adapting to Climate Change Impacts: CREAT Training for the Southeast Climate Region, a free webinar series, will offer an overview of the tool and how it can be applied to support utility resilience programs.

Water sector personnel in Alabama, Arkansas, Florida, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina, Tennessee, and Virginia are eligible to participate.

Introductory webinar (<https://register.gotowebinar.com/register/2500641698788852238>):
Thursday, May 20, 10:00 a.m. – 12:00 p.m. ET

Session 1: Tuesday, June 15, 10:00 a.m. – 12:00 p.m. ET

Session 2: Thursday, June 17, 10:00 a.m. – 12:00 p.m. ET

Session 3: Tuesday, June 22, 10:00 a.m. – 12:00 p.m. ET

Session 4 (Optional): Tuesday, July 6, 10:00 a.m. – 12:00 p.m. ET

Registration for the free workshop is available online (<https://register.gotowebinar.com/register/7401569644065581582>) through June 8. Interested individuals must register separately for the introductory webinar by May 19.
