Water Research Foundation seeks input for One Water Cities Project by Oct. 18

October 11, 2021 at 5:00 AM

The Water Research Foundation is asking utilities to complete a nationwide survey (https://fiu.qualtrics.com/jfe/form/SV_4URFrEv3oGQBSjY) designed to help inform project #4969, *One Water Cities Development of Guidance Documents and Assessment*. The survey aims to collect information on elements needed to measure progress toward implementing effective strategies and viable pathways towards an integrated planning approach to managing finite water resources for long-term resilience and reliability. The closing date for the survey is October 18.
