

# Early bird registration rates for AMWA's Water Policy end this Friday, January 27

January 23, 2023 at 5:00 AM

Join fellow water system executives, members of Congress, and federal leaders for a legislative and regulatory overview, March 6 to 8, in Washington, D.C. AMWA's 2023 Water Policy Conference (<https://www.amwa.net/conference/amwas-2023-water-policy-conference>), a premier water event, boasts a who's who in congressional committee heads, members of the Biden Administration, and sector thought leaders. AMWA encourages members, subscribers, and potential attendees to register (<https://www.amwa.net/conference/amwas-2023-water-policy-conference>) by Friday, January 27, to receive the early bird registration rates.

## Conference Agenda

**Radhika Fox**, EPA Assistant Administrator for Water, joins the program and will discuss the agency's agenda for 2023, including high-profile regulations on drinking water standards for PFOA and PFOS, the designation of PFAS as hazardous substances under CERCLA, MDBPs, and additional revisions to the Lead and Copper Rule.

Other noted EPA speakers include:

- **Jennifer McLain**, Director of EPA's Office of Ground Water and Drinking Water, will give insight into drinking water rules for PFOA and PFOS, the Biden Administration's Lead and Copper Rule Improvements, and revisions to the Consumer Confidence Report Rule.
- **Karen Dettmer**, EPA's Managing Director for Infrastructure Implementation, will offer the latest updates on the status of new water infrastructure funding opportunities available through the Bipartisan Infrastructure Law and steps water systems can take to position themselves to compete for a share of the funds.

Speakers from the House of Representatives include:

- **Rep. Paul Tonko** (D-N.Y.), the lead Democrat on the House Environment and Climate Change Subcommittee, will discuss his party's drinking water agenda for 2023 – including PFAS, infrastructure investment, water affordability, and other top-tier water policy issues.
- **Rep. Dan Kildee** (D-Mich.), the House sponsor of the Financing Lead Out of Water (FLOW) Act, will discuss the bill's potential to help water systems more efficiently pay for lead service line replacements and will share additional water policy priorities to be

## Registration and Hotel
