

**Water Director  
City of Santa Rosa, CA**

---

Santa Rosa (pop 175,000) located 55 miles north of San Francisco and 30 miles west of the Pacific Ocean, is the County seat for Sonoma County, encompassing 41.5 square miles in the heart of Sonoma's wine country. The City is made up of 13 Departments and approximately 1,300 staff. With a staff of 252.5 FTE and an annual budget of \$144 million, the Water Department provides water service to over 53,000 customer accounts and a regional reuse system to a population of 230,000.

The ideal candidate will be an experienced manager with an understanding of municipal water operations and innovative water conservation and sustainability practices. He/she will be a team player and a strategic thinker with six to eight years of management experience in a public water agency. A Bachelor's degree from an accredited college or university with major course work in administration, engineering or related field is required. A Master's Degree is highly desirable.

The salary range for this position goes up to **\$202,126** annually. Salary is supplemented by a competitive benefits package. Closing date: **Sunday, March 24, 2019**. Visit **[www.tbcrecruiting.com](http://www.tbcrecruiting.com)** for detailed brochure and to apply online.
