ABOUT THIS POSITION

The Water Services Department seeks an experienced water industry professional to fill an Assistant Water Services Director vacancy. Reporting to the Water Services Director, this executive level position directs multiple major functional areas of the department through the supervision of Deputy Water Services Directors responsible for utility financial management as well as budget, supply logistics, and technical functions, and process improvement related to water and wastewater plants, systems and facilities. The position is also responsible for interacting with other City departments, and representing the City when working with other governmental and outside agencies. Work assignments are broad in scope and require the use of independent judgment and initiative in making technical and managerial decisions of considerable difficulty. The Water Services Department has an annual operating budget of approximately \$300 million, a 5 year capital improvement budget of \$2.5 billion, and employs nearly 1,500 employees.

This recruitment may be used by any department for any current or future vacancies over the life of the eligible list.

RECRUITMENT DATES

First review of applications will occur the week of April 8, 2019. Recruitment will remain open until we have received a sufficient number of qualified applications.
