TUESDAY, MARCH 16
2:00 - 4:15 p.m. ET

Welcome
Angela Licata, AMWA President
Deputy Commissioner
New York City Department of Environmental Protection

The 2020 Elections and the Current Political Climate

Charlie Cook, editor and publisher of the Cook Political Report, will share his non-partisan views on anticipated changes to the political landscape over the next four years and his expectations on the respective agendas Democratic and Republican congressional leadership.

Regulatory Outlook: Panel Discussion

U.S. Environmental Protection Agency officials will share their views and plans on issues such as the status of the new Lead and Copper Rule, implementation of the PFAS Action Plan, and loan awards through the Water Infrastructure Finance and Innovation Act (WIFIA) program. Panelists will also discuss the latest information on other water programs such as water workforce, water reuse, and emerging contaminants.
