UFI Survey

Visualization and Interactivity Project

Peiffer Brandt, Chief Operating Officer
Chris McPhee, Director of Data Services

UFI INITIATIVE

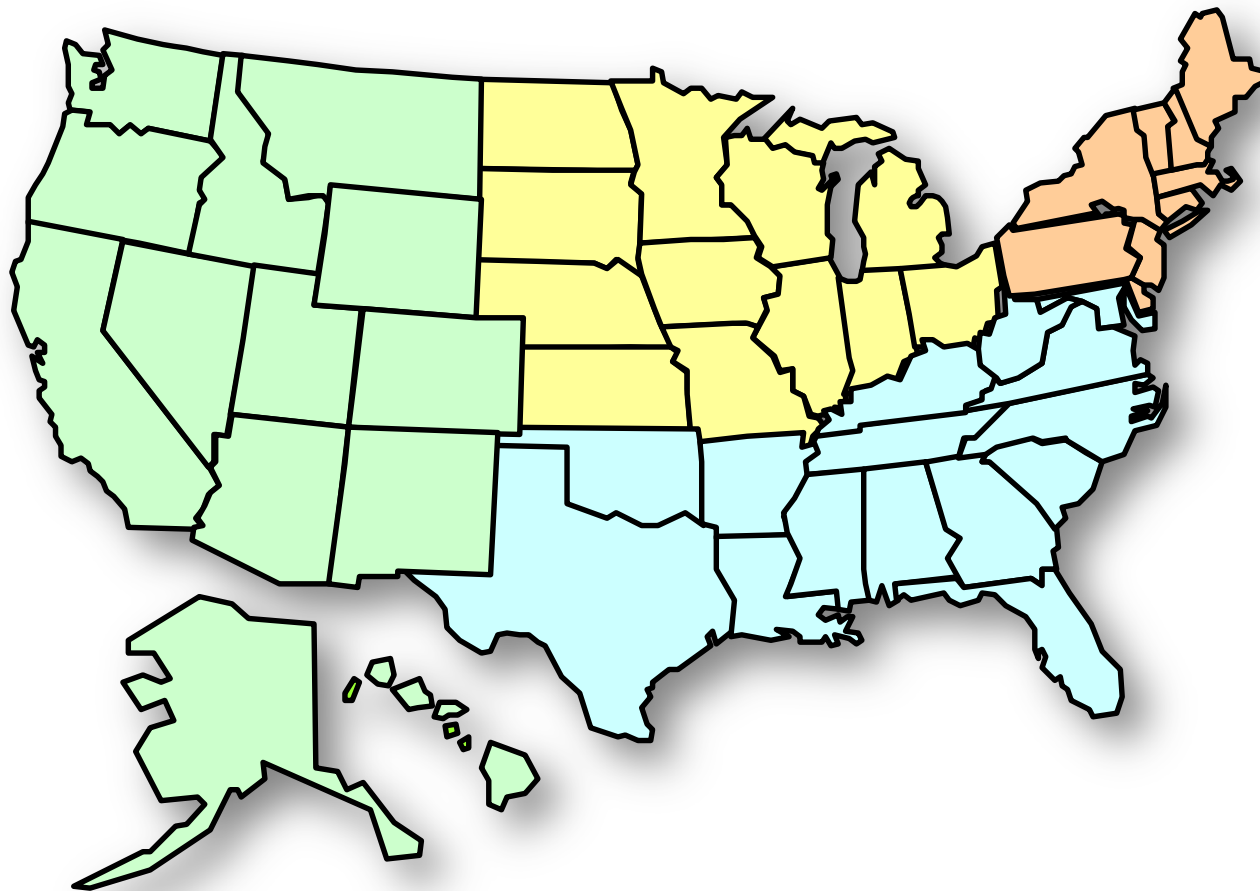

To develop a research tool available to AMWA members to assist in understanding financial and operational issues within the industry and how these relate to the respective utility.

SURVEY OVERVIEW

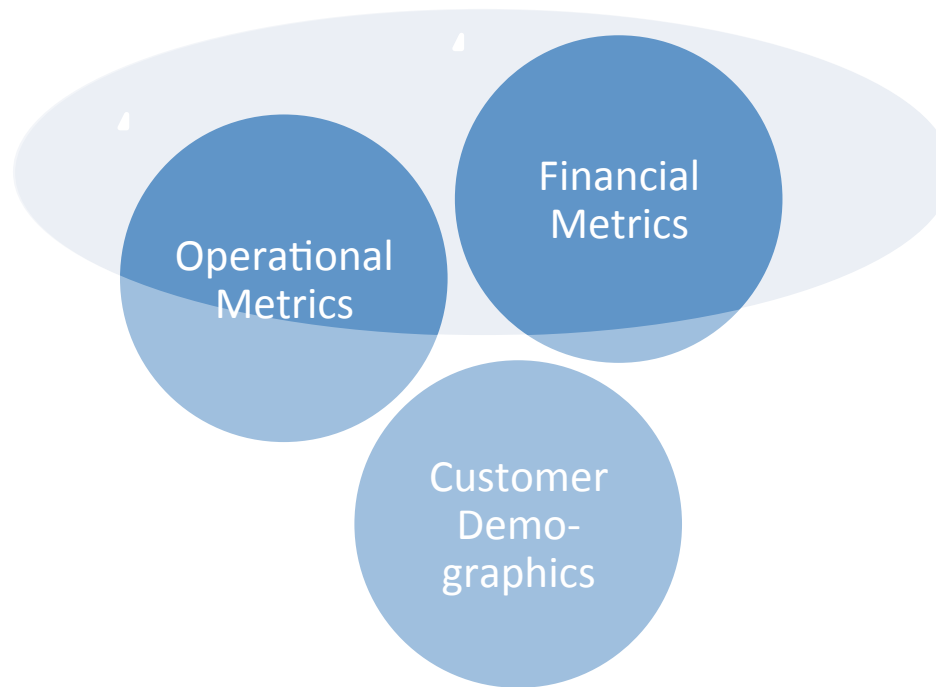

- » Comprehensive national survey
 - 162 questions
- » Administered using a spreadsheet based survey tool
- » Includes data from various sources
 - CAFRs
 - Budgets
 - CIPs
 - Etc.

AMWA MEMBERS ONLY

2014 Participation – 102 Members
2016 Survey Underway!

VALUE OF SURVEY DATA

Tailored Comparisons

UFI VISUALIZATION PROJECT OBJECTIVES

- » Make survey data interactive and easy to analyze
- » Provide quick access to benchmarking data to be utilized by decision makers
- » Inspire members to respond to future surveys
