Different Governance Structures

- Mayor – Council; GM reporting to the Mayor
- Mayor – Council – City Manager; GM reporting to City Manager
- County Commission – County Administrator – GM reporting to Commission or Administrator
- Regional District Board – GM reporting to the Board
- City Commission – GM reporting to one of the commissioners

A group of elected or appointed individuals responsible for providing governance and policy direction for the utility

The Foundation of All The Governing Structures

Our Panel of Experienced Professionals

- Cedric Grant – Executive Director of the Sewerage & Water Board of New Orleans
- Kathryn Sorenson, Director of Phoenix Water Services
- John Sullivan – Chief Engineer of the Boston Water and Sewer Commission
